Dear Jayne and Traci

I am writing to thank you so much for the very valuable support you have given to our Air Ambulance and to officially acknowledge receipt of your donation of £250.00 raised at your horse show in August 2009.

This is another vital contribution to keeping our voluntary emergency medical service flying to the rescue of people in Warwickshire and Northamptonshire.

As we receive no funding from either Central Government or the National Lottery, we rely totally on voluntary donations and support from our communities. Since our launch in October 2003 we have flown over 8,260 missions and saved many lives, and it has only been possible because of the support we receive from kind and generous people like you. ...

Please accept our sincere gratitude for your support.

Kindest regards

Carol Shaw
