

We are proud of the fact that such a small community can work together and create such a spectacular event. The real success of the Annual Show is the way that it brings together so many people who volunteer their time and expertise and the local individuals and businesses who give their time and resources to help with the organisation of this show. Our sincere thanks to everyone who helped put on the 2009 show. If we have missed anyone, please accept our sincere apologies. The omission was quite unintentional.

- Sir William & Lady Dugdale - for patronage of the Society and the use of Blyth Park
